

Titebond Molding & Trim Wood Glue

Product # 15002404

DESCRIPTION

Titebond Quick & Thick Molding and Trim Glue is the thickest, fastest-drying glue available for use with porous and semi-porous materials. Enjoy a strong initial tack and fast set speed while being able to realign working pieces. The formula does not drip and allows you to keep an area of workspace clean and without damage. This product is ideal for finish trim, crown molding, baseboards, window casings, and other cabinet finishings. This glue develops a bond stronger than the wood itself, offers excellent sanding, and is unaffected by finishes. Titebond Quick & Thick PVA Glue is non-toxic, easy to use, and cleans up with water.

ADVANTAGES AND BENEFITS

- Excellent sanding - Strong initial tack - Easy cleanup with water - Nonflammable - No offensive odor - Versatile: bonds most porous and semi-porous materials.

TECHNICAL SPECIFICATIONS

Product #	15002404
Recommended Use	Interior, Cold-Pressed Glue
Color Before Application	Beige
Dried Film	Translucent
Open Time	1 to 5 minutes
Close assembly time under pressure	Short (5-10 min.)
Viscosity	36 500 cps
Volume	16 oz
Brand	Titebond®
Features	Fast Setting, Fast-Drying, High Heat Resistance, Non-Flammable
VOC Concentration (EPA Method 24)	9.8 grams per liter
Solid Content (Approx.)	60%
Base	Thixotropic Polyvinyl Acetate
pH	4.8
Freeze/Thaw Stability	Keep From Freezing, Stable

APPLICATION

- Use with porous and semi-porous materials. - Ideal for finish trim, crown molding, baseboards, window casings, and other applications requiring a professional-strength, no-run wood glue.
