Packaging format Per unit

DESCRIPTION

Recycling system with two bins and soft-closing slides. The rear section contains a compartment ideal for storing small items. Door-mounting brackets included.

ADVANTAGES AND BENEFITS

- A self-closing slide system prevents the doors from shutting abruptly under heavy loads, while keeping your containers stable in place. - 5149 models are equipped with Rev-A-Motion opening and closing system. - 5349 models have full-extension slides and 5149 models have over-extension.

TECHNICAL SPECIFICATIONS

Product #	53492150DM217
Soft-Motion System	With
Bin Quantity	2
Brand	Rev-a-Shelf
Material	Polymer
Solutions	Wastebins and Recycling Centers
Area of Activity	Cleaning, Preparation

INCLUDED PRODUCT(S)

Patented door-mounting brackets (5149 models) allow for adjustment in six points. Brackets for 5349 door models are sold separately. See 5345DM1.

IMPORTANT INFORMATION

- Use #5345DM1 fasteners (sold separately) to mount the recycling center on the widest part of your door. Please DO NOT use the instructions file as a full-sized mounting template. This document is intended for reference only. The bins in suggested product are for replacement purposes. They are included with each product.
