

Machine Bit 3/8 Diameter (Left Hand)

Product # 9132031

DESCRIPTION

The LH-DKDB bit is made of cobalt steel for a long life. This left-hand drill bit is for use in the middle spindle of the fully automatic machine DK3100.

The Kreg Left-Hand Stepped Drill Bit is uniquely designed for exclusive use with the Kreg DK3100 Pocket-Hole Machine. Made from cobalt-steel, this heavy-duty drill bit will withstand years of use. The bit features a one-piece design, which eliminates clogging and provides a much smoother and faster drilling stroke than drill bits with replaceable center drills.

TECHNICAL SPECIFICATIONS

Product #	9132031
Brand	Kreg
Material	Cobalt

APPLICATION

This bit features an exclusive left-hand thread, designed for the center spindle of a DK3100 only. Does not work with standard Kreg Jigs® or any other Kreg pocket-hole machines.
