

Silicone Dry Lubricant

Product # M1030177

DESCRIPTION

- Lubricates and prevents sticking of doors, drawers, locks, hinges, and latches.
- Protects against corrosion and rust on tools, machinery, moving parts, conveyors, and cutting blades.
- Prevents bunching and binding and speeds cutting, sewing, and fabric flow in the textile industry.
- Unaffected by water, oil, and most common solvents.
- Will not freeze, melt, or flush off.

TECHNICAL SPECIFICATIONS
