Product Data Sheet

Patchal™ Putty

M734 - (color number)

25 individual colors, 24 pack assortment

Product Description: Patchal™ Putty is an easy to use filler designed for use on small cosmetic repairs only. Patchal™ Putty is designed to be used on finished wood to fill nail holes, miter joints and cabinet seams. Patchal™ Putty may be topcoated with lacquer for increased durability.

Advantages:

1. Fast easy application and simple clean up.
2. Superior color selection matched to current industry trends.
3. Fade resistant, non-bleeding permanent colors.
4. May be topcoated within minutes.
5. Easy open packaging keeps putty fresh.

Characteristics:

Weight per gallon: 10.62 lbs/gal*

Solids % (wt): 71.96*

Solids % (vol): 56.25*

Dry time: Hardens over time, can be finished within minutes

VOC's (coating): 2.97 lbs/gal (356.73 g/l)*

VOC's (material): 2.97 lbs/gal (356.73 g/l)*

VHAP's: 0.008 lbs VHAP's/lb solids* (hap's compliant)

Package Life: 1 year

* varies, depending on color

HMIS: Health – 2, Flammability – 2, Reactivity – 0, Personal Protection - X

Specifications:

Directions: Fill defect or seam with Patchal™ Putty using your fingertip. Remove excess putty with a cloth or with the edge of a plastic card. Patchal™ Putty is to be used for small cosmetic repairs only. Topcoat Patchal™ Putty with aerosol lacquer for increase durability. Not recommended for tabletops or other wearing surfaces.

Safety cautions: Flammable. Harmful or fatal if swallowed.

Causes lung, eye, skin, nose and throat irritation. Overexposure may cause lungs, kidney damage.

Notice: Reports have associated repeated and prolonged occupational overexposure to solvents with permanent brain and nervous system damage. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal. Harmful or fatal if swallowed. Cancer hazard. Contains crystalline silica, which can cause cancer. (Risk of cancer depends on duration and level of exposure). Vapor harmful. May affect the brain or nervous system causing dizziness, headache or nausea.

KEEP OUT OF REACH OF CHILDREN

Close container after each use. Do not smoke. Extinguish all flames and pilot lights, and turn off stoves, heaters, electric motors and other sources of ignition during use and until all vapors are gone. Wash thoroughly after handling. Ensure fresh air entry during application and drying. If you experience eye-watering, headache or dizziness or if air monitoring demonstrates vapor/mist levels are above applicable limits, wear an appropriate, properly fitted respirator (NIOSH approved) during and after application. Follow respirator manufacturer's directions for respirator use. Use only with adequate ventilation. Prevent build-up of vapors by opening all windows and doors to achieve cross-ventilation. Avoid contact with eyes, skin and clothing. Vapors may cause flash fire. Keep away from heat, sparks and flame. Do not breathe dust, vapors or spray mist.

First Aid: If swallowed, do not induce vomiting. Get medical attention immediately. If you experience difficulty in breathing, leave the area to obtain fresh air. If continued difficulty is experienced, get medical attention immediately. In case of eye contact, flush immediately with plenty of water for at least 15 minutes and get medical attention immediately; for skin, wash thoroughly with soap and water.

If spilled, contain spilled material and remove with inert absorbent. Dispose of contaminated absorbent, container and unused contents in accordance with local, state and federal regulations.

This product contains a chemical known to the state of California to cause cancer.

For industrial use only
