"1to5"

System is composed of a frame to be installed inside a double wall drawer and several bins that fit into the frame to have a complete solution. Select the right frame and choose the bins depending on your needs

#5216100 et #5219100
Each code consists of 1 hanging frame and 1 overall lid

lid
(mounted side to side)

Hanging frame
(insertion in Blum drawer)

1) Choose your frame

5216100 - side gable thickness of 16mm (5/8")
5219100 - side gable thickness of 19 mm (3/4")

Codes	Description	Internal width
5216100	SET "1TO5" 600MM GREY for cabinet with 16mm (5/8") side gable thickness	568 mm (22-3/8 ")
