

10 - Year LIMITED WARRANTY

Effective for Orders Placed After 7/1/2016.

Faux Logic Designs hereby warrants its products and parts to be free of manufacturer defects. Due to the nature of the manufacturing process, customers should expect slight variations in the pattern and finish of the product.

A Faux Logic Designs representative must be notified within 30 days of purchase that a manufacture defect has been found. Products are under warranty for a period of 10 years from date of purchase.

Faux Logic products were designed for interior use however, the materials used to construct these products are stable for outdoor environments. Faux Logic Designs will not warranty against normal sun fading and or thermal expansion/contraction.

It is recommended that the customer use (1) 28 oz. tube of F-26(Leech Products) or PL Premium (Loctite Products) construction adhesive for every 80 square feet of surface area to properly install the product. One drop of adhesive, approximately 1" dia., should be placed at 12" intervals, top to bottom and left to right. Failure to properly install the faux wood panels voids the warranty and will not be covered by Faux Logic Designs.

Damage resulting from accidental use of the product in a manner not approved by Faux Logic Designs shall not be covered under warranty. Products are designed to be decorative cladding and not a structural component.

When our representative has determined that a product is defective, Faux Logic Designs will replace the product(s) or a credit may be offered instead of replacement at the discretion of the supplier. Faux Logic Designs' total liability is limited to the cost of the defective product. Faux Logic Designs shall have no liability to any person, firm or corporation whatsoever for incidental or consequential damages such as but not limited to labor, finishing cost, parts damaged by freight carriers, freight charges, installation, lost profits, lost sales or the like. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
