### Lemans II: better performance, easier to install.

#### Products features

- Easy to order, offered in complete set: hardware, post and 2 trays in a single box.
- Shelves available in 4 trendy finishes : Maple/Chrome, Grey/Chrome and White/chrome.
- CARB certified melamine shelves with anti-slip coating.
- Suitable for frameless cabinets, as well as face frame cabinets.
- To avoid any protrusion with adjacent cabinet handles for example, Le Mans II pulls completely out with a 85 degree door opening angle.
- Available for right and left opening.
- 25kg (55lb) weight capacity per shelf.
- Soft stop can be ordered as an option
- Spacer to be ordered separately if required for face frame cabinet application (see mounting instructions).
- The shelves are easily height adjustable.
- Trays can be moved out individually and completely
- The restrictor is fixed underneath the shelf and attached to the arm. It allows to reduce the opening of the shelf of around 20% and then to avoid shocking with the adjacent appliances.
