BRICKS AND STONES

DECORATIVE PANELS

Combine different textures to create original, spectacular interiors!

Our commitment to technological innovation has positioned us to keep pace with the constantly evolving world of interior design. These cutting-edge panels are a fabulous and stunning solution to the industry's latest trend of creating interior spaces through unusual combinations of many different patterns, colors and materials.

Our patented manufacturing system accurately reproduces textures and colors of bricks and stones. Our high-quality products are easy to install and very sturdy, making them a hot-ticket item among design professionals.

The panels are made of high density polyurethane and polyester resin. Their surfaces are made of real marble stone powder, which makes these panels extremely lightweight but also durable.

Advantages

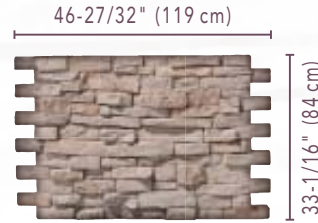

- Easy and simple installation
- Perfect finish
- Does not require maintenance
- Excellent thermal and acoustic insulation
- Resists humidity (anti-mold)
- Fire resistant: North American Certification ASTM E 84-12 (class B)
- Easy to handle and transport
- High resistance to most chemicals

IDEAL FOR RESIDENTIAL OR COMMERCIAL APPLICATIONS.
