MANAGEMENT PROXY CIRCULAR

Solicitation of proxies

This Management Proxy Circular (the “Circular”) is provided in connection with the solicitation of proxies by the Management of Richelieu Hardware Ltd. (the “Company”) for use at the Annual General Meeting of shareholders of the Company (the “Meeting”) to be held at the place and date indicated in the Notice. Unless otherwise indicated, the information contained herein is given as at January 31, 2009 and all dollar amounts set forth herein are expressed in Canadian dollars.

The solicitation is made primarily by mail, but officers and employees of the Company may nonetheless solicit proxies directly by telephone or through other personal solicitations but without additional compensation. The Company may also reimburse brokers and other persons who hold shares in their name, or on behalf of nominees, to cover their expenses for the mailing of proxy documents to principals and to obtain their proxy. The cost of solicitation will be borne by the Company.

Nomination of Proxyholders

The persons named in the enclosed form of proxy are directors of the Company. **A shareholder has the right to appoint as his representative a person other than those appointed by Management and whose names are indicated for that purpose in the attached form of proxy, to allow that person to attend and act on his behalf at the Meeting.**

To exercise this right, the shareholder must strike out the names of the persons named in the form of proxy and write the name of the person selected by the shareholder in the blank space provided for that purpose. It is not necessary that the person selected be a shareholder of the Company.

For your vote to be recorded, your proxy must be received by the Secretary of the Company prior to the Meeting.

Revocation of Proxies

A shareholder who signs a form of proxy may revoke the proxy at any time before it is used, in any manner authorized by law, including by way of a written instrument executed by him, his attorney duly authorized in writing or, if the shareholder is a corporation, by an officer or an attorney of such corporation duly authorized. Any such instrument must be filed with the Secretary of the Company. The powers of the proxy holders may also be revoked if the holder of Common Shares attends the meeting in person, or any adjournment thereof, and so requests.

Exercise of Voting Rights Attached to Shares Represented by Proxy in Favour of Management

The enclosed form of proxy, when duly executed and transmitted, appoints the persons named therein or any other person named by the shareholder in the manner provided for above, to represent the shareholder with respect to the shares represented by the said proxy at the Meeting and the persons named therein will vote or withhold from voting as specified by the shareholder.

Management shall ensure that all voting rights will be exercised in accordance with the instructions given by the shareholder on any ballot that may be called for. Unless otherwise indicated, the shares represented by such proxy will be voted IN FAVOUR OF all the matters described herein.

Management is not aware of any new matters or any amendment or variation of matters to be submitted at the Meeting, nor does it foresee that such possibilities might arise. If, however, any such matters properly come before the Meeting, the persons named in the enclosed form of proxy will vote thereon in accordance with their best judgment pursuant to the discretionary authority conferred by the proxy with respect to such matters.

Voting Shares and Principal Holders Thereof

The Common Shares are the only securities in the share capital of the Company which carry voting rights.

As of January 31, 2009, the Company had 21,972,409 outstanding Common Shares (the "Common Shares"). Each Common Share of the Company entitles its holder to one vote.

The registered holders of Common Shares at 5:00 p.m., Montréal time, on February 20, 2009 (the "Record Date"), will be entitled to vote at the Meeting and at any adjournment thereof, if present or represented thereat by proxy. The holder of Common Shares acquired after the Record Date is entitled to exercise the voting rights attached to such shares at the Meeting or at any adjournment thereof by tendering duly endorsed share certificates representing those shares or by otherwise establishing that he owns the shares, and by requiring, at least ten days before the Meeting, that his name be placed on the list of shareholders entitled to receive the Notice of Meeting, this list having been drawn up at the Record Date.

To the knowledge of the Company's directors and officers, as of January 31, 2009, no person owned, directly or indirectly, more than 10% of the outstanding Common Shares.

Notice to Shareholders Holding their Shares through a Broker or another Intermediary

Any shareholder of the Company whose share certificates are not registered in its name must pay close attention to the information set forth in this Section, to ensure that his instructions as to the exercise of voting rights for this Meeting are transmitted in due time and to the appropriate person. Only proxies tendered by shareholders registered in the share ledger of the Company, maintained by Computershare Trust Company of Canada (Registrar and Transfer Agent), may be recognized and used at the Meeting.

If the Company's Common Shares (the "Shares") held by a Shareholder appear in an account statement sent by a broker, said Shares are most probably not registered in the name of the shareholder, but in the name of the broker or a nominee thereof. **As a result, any beneficial holder must communicate his voting instructions to the appropriate person and such beneficial holder has less time to do so than a registered holder.**

Regulation 54-101 respecting Communication with Beneficial Owners of Securities of a Reporting Issuer requires that brokers and other intermediaries request voting instructions from any beneficial holder prior to shareholder meetings. Each broker has his own procedures for sending materials and provides his own guidelines for their return; these instructions are to be followed carefully by the shareholder to ensure that the voting rights attached to his Shares are cast at the Meeting, according to his rights.

If you have questions on how to exercise voting rights attached to Shares held through a broker or other intermediary, please contact the broker or intermediary directly.

Unless otherwise indicated in this Proxy Circular, the Form of Proxy and the Notice of Meeting attached hereto, shareholders shall mean registered holders.

Information about Nominees Proposed for Election as Directors

Management of the Company proposes the election of eight (8) directors for the current year. The directors are elected each year and their term of office expires upon the election of his successor unless he resigns or his office becomes vacant because of death, removal or any other reason.

Should any of the nominees proposed for election as director be unable, for any reason whatsoever, to fulfill his duties as a director, the persons named in the enclosed form of proxy reserve the right to vote for another nominee of their choice unless the shareholder specifies on the form of proxy to abstain from voting for the election of directors.

The following table indicates, for each nominee proposed for election as director, his name, his province of residence, his position within the Company, his current principal occupation, the year in which he first became a director and the committees of the board of the Company on which he serves. The table also indicates whether the nominee is independent, the percentage of attendance at meetings, the number of voting shares in the share capital of the Company beneficially owned, directly or indirectly, or over which control is exercised and the number of share options and share units held under the Deferred Share Unit ("DSU") Plan (see section "Compensation of Directors" at page 9 of the Circular).

The nominees have themselves provided the Company with the information, as of February 20, 2009.

COMPENSATION OF DIRECTORS

Compensation Policy

The external directors receive an annual compensation of \$24,000 as member of the Board of Directors, while the Chair of the board receives an annual compensation of \$75,000. The chairs of the Audit Committee and of the Human Resources and Corporate Governance Committee receive an additional \$5,000 per year. In addition, director's fees of \$1,500 per meeting are paid to these directors for attending meetings of the Board of Directors of the Company as well as meetings of the Human Resources and Corporate Governance Committee, and directors' fees of \$2,000 per meeting are paid to directors for attending meetings of the Audit Committee. No retirement plan is available to the directors of the Company.

Deferred Share Unit Plan

On July 5, 2005, the Company established a Deferred Share Unit Plan (the "DSU") to help the Company attract and retain experienced and qualified directors. The Human Resources and Corporate Governance Committee, which is responsible for managing the Plan, decided that only external directors would be eligible to such Plan. Directors can elect to receive part or all of their compensation in DSUs. The number of DSUs granted to a director equals the compensation amount to be paid in DSUs, divided by the average closing price of the Company's Common Shares on the TSX for the five business days immediately preceding the date of the payment. Dividends paid by the Company, if any, also benefit holders of DSUs. The value of DSUs is payable upon the director ceasing to be a member of the Board. The amount paid is equal to the number of accumulated DSUs multiplied by the average closing price of the Company's common shares on the TSX for the five (5) business days immediately preceding the date on which the director stops holding office. The amount is paid in cash, subject to applicable tax deductions. All directors have, from now on, elected to receive their total compensation in DSUs, except for Mr. Robert Chevrier, who elected to receive 100% of his compensation in cash, and Mr. Jocelyn Proteau, who elected to receive 50% of his compensation in cash.

Ernst & Young LLP have been the auditors of the Company for more than five years.

Unless indicated otherwise by the shareholder, the voting rights attached to the shares represented by any proxy duly signed will be exercised IN FAVOUR OF the appointment of Ernst & Young LLP as auditors and the authorization for the Board of Directors to fix their remuneration.

SHARE OPTION PLAN

On July 13, 1993, the Company established a Key Employee Share Option Plan (the “Plan”) in order to attract and retain highly qualified directors and employees who will be motivated toward the success of the Company and to encourage them to share ownership in the Company.

The individuals who are eligible to receive options to purchase Common Shares under the Plan are directors, senior executive officers and key employees of the Company and its subsidiaries, as determined from time to time by the Human Resources and Corporate Governance Committee of the Board of Directors. An Optionee may be granted more than one option, provided such Optionee does not hold Options on more than five percent (5%) of the outstanding common shares. Options granted pursuant to the Plan cannot, under any circumstances, be transferred to third parties. Any Optionee, whether an insider or not, is subject to such restriction.

The participants to this Plan receive options that may be exercised within ten (10) years of the date of grant or on any prior date as hereinafter defined. Under the terms of the Plan, the vesting periods for the options are as follows:

- i) up to 25% of the options are exercisable one (1) year from the date of the grant;
- ii) up to 50% of the options are exercisable two (2) years from the date of the grant;
- iii) up to 75% of the options are exercisable three (3) years from the date of the grant;
- iv) up to 100% of the options are exercisable four (4) years from the date of the grant.

The Plan however provides that in the case of a change of control of the Company that results in the replacement of a non-employee director of the Company, all options then held by such person vest immediately in spite of the periods hereinabove provided for in paragraphs i) to iv).

Moreover, the Plan provides that if the Company is to be merged with another entity or acquired by such entity by way of a merger, a sale of all or substantially all of its assets or otherwise (the “Acquisition”), the Committee or the

Board of Directors of any entity that assumes the obligations of the Company pursuant to the Plan (the "Successor Board") shall, as to the outstanding options, i) provide for the appropriate reserves for the conversion of such options by fairly replacing the then underlying shares by the consideration payable for the outstanding common shares pursuant to the acquisition or ii) upon written notice to Optionees, provide that all options shall be exercised, if and when they may then be acquired and exercised, during a given period following the date of such notice, at the end of which the options shall be terminated; or iii) terminate all options in exchange of a cash payment equal to the amount by which the fair market value of the shares underlying such options (if and when they may then be acquired and exercised) exceeds their option exercise price.

Any Plan participant may exercise his option by paying its value at the time of exercise, then hold the share or sell it on the market and benefit from the differential between the exercise price of the option and the price of the shares.

The price at which Common Shares may be purchased will be determined by the Human Resources and Corporate Governance Committee but may not be less than the weighted average price of the common shares traded on the Toronto Stock Exchange (the "TSX") during the five (5) business days immediately preceding the date of the grant.

The Plan presently provides that, unless the Board rules otherwise, options granted pursuant to the Plan expire no later than the tenth (10th) anniversary of the date of grant and all unexercised options expire and terminate and have no further effect after the tenth (10th) anniversary of their grant or, if one of the following dates is earlier, at such earlier date: i) in case of termination of employment of an Optionee, within thirty (30) days following the date of termination if such termination is without cause; ii) in case of dismissal for cause, the option must be exercised the next business day following the date of the written notice of termination; iii) if the Optionee is a non-employee director of the Company and stops acting as a director, he may exercise his option at any time within thirty (30) days following the release of the quarterly results following the date on which he stops acting in such capacity; and iv) if an Optionee deceases, any portion of the options he held, that has not vested on the date of death, vests immediately so that the options of the deceased Optionee may be exercised by the legal representative(s) of the Optionee at any time during the one hundred and eighty (180) days following the date of death.

As per the TSX standards, any amendments to the Plan must be approved by the Board of Directors, the TSX and the shareholders by way of resolutions adopted at a special meeting.

The following table indicates the outstanding options and options available under the Plan as of November 30, 2008:

Total Number of Options Pursuant to Plan	Total Number of Reserved Shares	Outstanding Options	Average Exercise Price of Outstanding Options	Available Options
2,396,000	1,240,575	796,050	\$20.18	444,525

When the Plan was initially adopted in 1993, a maximum of 599,000 common shares were reserved for issuance of shares pursuant to such Plan. On April 9, 1999 and July 20, 2001, common shares were subdivided which increased the number of common shares reserved for issuance pursuant to the Plan to 2,396,000. As at February 20, 2009, 945,050 options are outstanding, representing 4.3 % of the issued and outstanding securities and as at the same date, the total number of reserved shares is 1,240,575 of shares, representing 5.6 % of the issued and outstanding shares of the Company. It is important to mention that the Company has bought back 1,115,028 shares from December 3, 2007 to December 3, 2008, thus increasing the number of options compared to the total number of issued and outstanding shares of the Company.

Aggregated Options / SARS Exercised During the Most Recently Completed Fiscal Year And Fiscal Year-End Option / SARS Values

The following table indicates for the President and Chief Executive Officer and for the four principal executive officers, the number of securities acquired pursuant to the exercise of options, the aggregate value realized upon exercise as well as the number and value of unexercised options as at November 30, 2008 under the Plan. It should be noted that unexercised options might never be exercised and that the value of unexercised in-the-money options might never be realized.

	Number of Securities Acquired on Exercise ¹	Aggregate Value Realized ¹	Unexercised Options at Year-End ²		Value of Unexercised in-the-money Options at Year-End ³	
			Exercisable	Un-exercisable	Exercisable	Un-exercisable
Richard Lord	—	—	175,000	125,000	\$62,000	—
Alain Giasson	—	—	26,250	43,750	—	—
Guy Grenier	—	—	23,000	34,000	\$33,840	—
Christian Ladouceur ⁴	—	—	—	—	—	—
John Statton	—	—	13,250	5,750	\$67,680	—

² After giving effect to the 2 for 1 share split effective July 20, 2001.

³ The value of an unexercised in-the-money option at fiscal year-end is equal to the difference between the closing price of the Common Shares of the Company on the TSX on November 30, 2008 (the last day of trading of the Company's Common Shares on such exchange before the financial year end date), being \$15.74 per share, and the exercise price of the option, being \$7.28 per share in the case of options granted in 2001, \$14.50 per share in the case of options granted in 2003, \$19.20 per share in the case of options granted in 2004, \$22.13 in the case of options granted in 2005, \$22.43 in the case of options granted in 2006, \$24.76 in the case of options granted in 2007 and \$20.62 in the case of options granted in 2008. Calculation is after giving effect to the 2 for 1 share splits effective April 9, 1999 and July 20, 2001.

⁴ Mr. Christian Ladouceur left the Company in 2007 and at this time all his options were cancelled as per the provisions set out in the Plan.

REPORT OF THE HUMAN RESOURCES AND CORPORATE GOVERNANCE COMMITTEE

The Human Resources and Corporate Governance Committee (the "Committee") is in charge of determining the level of compensation and employment terms of senior executives and to make recommendations to the board. During the 2008 fiscal year, the Committee took all the steps necessary to fulfill its duties.

The Committee is comprised of three (3) independent directors: Mr. Robert L. Trudeau (Chair), Mr. Jean Douville and Mr. Jocelyn Proteau. Mr. Robert Chevrier acts as *ex-officio* member.

Components of the Compensation

The compensation of the senior executives includes the following components: base salary and performance bonus.

i) Base Salary

The base compensation aims at positioning the Company at the local market median, i.e. a sample of similar sized companies.

It takes into account the individual performance of each senior executive. The Committee reviews the base salary of senior executives on an annual basis and makes appropriate recommendations to the Board in order to maintain a competitive position on the market.

ii) Performance Bonus

The compensation includes a performance bonus based upon the financial results of the Company, the increase of net earnings per share and the success in reaching the goals established by the Board.

For the fiscal year ended November 30, 2008, the performance bonus granted in 2008 to the President and Chief Executive Officer was determined according to the increase of the net earnings per share (80%), sales growth (10%) and the achievement of the objectives established by the Board (30%) for a total of 120% of his base salary. As to the performance bonus granted to other senior executives, the Committee has confirmed the recommendations of the President and Chief Executive Officer.

The performance bonus earned by senior executives for the fiscal year ended November 30, 2008, in relation to financial results, share price and the achievement of the objectives established by the Board for the fiscal year ended November 30, 2008 represented between 109 % and 37 % of the base salary of such senior executives.

iii) Long-term Incentive Compensation

Except for the Key Employee Share Option Plan mentioned earlier, the Company has no long-term incentive plans.

PERFORMANCE GRAPH

The following graph compares the total cumulative shareholder return for \$100 invested in the Common Shares of the Company and the Toronto Stock Exchange Composite Index during the ten (10) fiscal years ending on November 30 of every year, from 1998 to 2008 inclusively.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

As of November 30, 2008, neither the Company nor any of its subsidiaries had any outstanding loans to any of its current or former directors, officers or employees in their personal capacity or to one of their related companies.

INSURANCE OF DIRECTORS AND OFFICERS

The total amount of the coverage for the period beginning April 30, 2008 and ending April 30, 2009 is \$20,000,000. Appendix A: Corporate Governance Disclosure

Board of Directors

The Board of Directors, through its Human Resources and Corporate Governance Committee, established that seven (7) of the eight (8) directors, namely: Mr. Robert Chevrier, Ms. Denyse Chicoyne, Mr. Robert Courteau, Mr. Jean Douville, Mr. Mathieu Gauvin, Mr. Jocelyn Proteau and Mr. Robert L. Trudeau, are considered independent as they are not and were not in the past party to any material relationship with the Company, its subsidiaries or controlling shareholder that may, in the opinion of the Board of Directors, interfere with the independent judgment of the director.

The duties of the Chair of the Board, which are outlined in the Charter of the Board of Directors, can be found in Appendix B of this Circular and are summarized at the Appendix C, are currently assumed by Mr. Robert Chevrier.

The majority of the directors are independent. However, to ensure that the Board of Directors remains independent in its judgment, the independent directors hold in-camera meetings after each board meeting or more frequently, should the need arise, without the presence of management and non-independent directors.

Six (6) independent directors meetings were held during the fiscal year ending on November 30, 2008.

The other directorships of the directors of the Company is presented under the section "Information about Nominees for Election as Directors" on pages 6 and following of this Circular.

The attendance by the directors to board and committees meetings held over the course of the fiscal year ending November 30, 2008, is listed in the section "Information about Nominees for Election as directors" beginning on pages 6 and following of this Circular.

Mandate of the Board of Directors

The mandate of the Board of Directors can be found in Appendix B of this Circular.

Position Description

The Board of Directors has developed written position descriptions for the Chair of the Board and the Chair of each board committee. The responsibilities of the Chair of the Board are listed in the Charter of the Board of Directors that can be found in Appendix B of this Circular. A summary of the description for the Chair of the Board and for the Chair of each committee appears at Appendix C of this Circular.

The Human Resources and Corporate Governance Committee reviews, on an annual basis, the description of the duties of the President and Chief Executive Officer and other senior officers and provides recommendations to the Board of Directors. Furthermore, such committee reviews, on an annual basis, the objectives that the President and Chief Executive Officer are asked to meet, evaluates his performance following the established criteria and provides recommendations to the Board of Directors. However, the Human Resources and Corporate Governance Committee decided it is not necessary at this point to adopt a written job description for the President and Chief Executive Officer.

Orientation and Continuing Education

The Chair of the Board provides all new directors with all the documentation pertinent to the affairs of the Company including in particular historical public information about the Company, by-laws, the previous minutes of the Board and of its relevant committees, the Code of Ethics of the Company and its various policies.

Moreover, through the meetings they attend and discussions with the directors and members of management, new directors can familiarize themselves with the activities of the Company.

Finally, to ensure the continuing education of its directors, presentations on various aspects of the Company's operations and the industry in general are offered by members of the management to the directors during the meetings of the board.

Business Ethics

On January 26, 2005, the Board of Directors adopted a Code of Ethics to which all employees, executives and directors of the Company must comply. This Code of Ethics is available on the SEDAR Website (www.sedar.com). It can also be obtained upon request from the Company's Vice President and Chief Financial Officer at 7900 Henri-Bourassa Blvd. West, Montréal, Quebec, H4S 1V4.

The management of the Company will take all reasonable measures to ensure that employees, executives and directors comply with the Code of Ethics and to react adequately and promptly to reported violations. The Board, through the Human Resources and Corporate Governance Committee (the "Committee"), is responsible for monitoring compliance with the Code of Ethics.

Additionally, the Audit Committee has elaborated a whistle blowing policy relative to questionable accounting or auditing practices whereby employees, under the protection of anonymity and on a confidential basis, can report to the Chair of the Audit Committee reprehensible practices concerning accounting, internal controls, auditing matters and possible violations of the law. The reporting may be done directly by mail, phone or email, or indirectly through their immediate superior or the Human Resources Manager.

Selection of Nominees for Election to the Board of Directors

The Human Resources and Corporate Governance Committee (the "Committee") recommends to the Board candidates for the position of director. This Committee is comprised of three (3) independent directors: Mr. Robert L. Trudeau (Chair), Mr. Jean Douville and Mr. Jocelyn Proteau. Mr. Robert Chevrier acts as *ex-officio* member.

To fulfil this responsibility, and pursuant to its written mandate, the Committee takes into account the size of the Board, the Company's needs as well as the particular skills and qualifications of the members already on the Board. Guided by the strengths of the Board and the evolution of the Company's needs, the Committee determines what qualifications, aptitudes and personal qualities are sought in directors to add value to the Company.

Compensation

The responsibilities normally assigned to a compensation committee are assumed by the Human Resources and Corporate Governance Committee (the "Committee"), as more fully described in the previous section, ***Selection of Nominees for Election to the Board of Directors***.

The mandate of the Committee is to evaluate the senior officers of the Company and to recommend to the Board their employment terms and their level of compensation. To establish the compensation of directors, the Committee considers the time devoted to the Company and the compensation, risks and duties of comparable positions.

Other Board Committee

The board's standing committees include the Human Resources and Corporate Governance Committee and the Audit Committee. The committee charters are available on the SEDAR Website (www.sedar.com).

Evaluation

The Human Resources and Corporate Governance Committee implemented a procedure to assess the Board of Directors and its committees as well as the Chair of the Board. The evaluation is performed by way of a questionnaire that is forwarded to every director. The results are collected by the Chair of the Board and communicated to the directors.

Appendix B: Mandate of the Board of Directors

Subject to the exceptions prescribed by the laws, regulations, policies, guidelines or standards of applicable securities authorities and stock exchanges on which shares of Richelieu are traded (collectively the "Applicable Standards"), the majority of Board members must be "independent" directors (as such term is defined in the Applicable Standards for boards of directors).

3.4 Conditions for Board membership
