

## Cleaning Brush for Files

**Product #** 00010

### DESCRIPTION

**Perfect for general cleaning of file teeth**

The Crescent Nicholson file card and brush is perfect for general cleaning of file teeth, removing filings, dirt, rust, burrs, corrosion, and most buildups of foreign material on metal. The file card and brush unclog teeth on finer-cut files, allowing the abrasive to cut properly each time. Its wooden base construction offers durability and ease of grip, so you can work confidently over time.

### ADVANTAGES AND BENEFITS

- Helps remove fillings, dirt, rust, burrs, corrosion, and most buildups of foreign material on metal - File card and brush unclog teeth on finer-cut files, allowing the abrasive to cut properly each time - Wooden base construction offers durability and ease of grip, so you can work confidently over time - Cleaning files helps ensure long-lasting performance
