

QUADRUM - Square LED Light 3 W, 12 V

Product # 128012124030

Finish White

Light Color Neutral White

Kelvin Color Temperature (K) 4300 K

Luminous Efficiency 130 lm/W

Luminous Flux 390 Lumen

DESCRIPTION

System with quick connection cables at the base of the light

- Innovative 3 W LED projector with wide light beams.
- Designed for installation in a 2 1/4 in (57 mm) opening measuring only 15/32 in (12 mm) deep.
- Consistent and wide flow devoid of the typical LED spotlight dotted effect feature.
- Integrates special optics that look neutral and uniform, even when the device is off.

ADVANTAGES AND BENEFITS

- Plug-and-play system allows for easy installation or replacement when needed -
- Quick connection cable system, no soldering of wires needed -
- Bright and uniform light distribution
