### Disclaimer

Measures shown with an asterisk (\*) have been converted as per your preference. These are not the official measures. To view the measures specified by the manufacturer, [click here](#).

## IMPORTANT INFORMATION

Designed for cabinets built using imperial measurements. Metric conversion provided for information purposes only. Since the handle at the front of the rack exceeds 14 in (355 mm) which is the internal depth required for slides installation, we recommend this product be installed in cabinets that do not have doors.
