

Revolving Shoe System

Product # 14814090

Interior Dimensions Required - Height 66 1/8 in*

Product Dimensions - Height 66 1/8 in*

Load Capacity 61.7 lb*

DESCRIPTION

This revolving storage unit allows you to effortlessly store and take out shoes from both sides, achieving increased storage efficiency. With a large storage capacity of up to 54 pairs of shoes for the tall version (24 pairs for the small version). Say goodbye to shoe clutter!

ADVANTAGES AND BENEFITS

- Easy to install (top and bottom mount). - Rotates at 360° (180° right and left) to give complete access on both sides and full overview to the stored items. - Load capacity: 2 kg (4.4 lb) per shelf. - Made of solid material: steel, POM for the frame, and ABS for the shelves. - Comes in a black finish. - Handle included. - Storage can be customized (depending if you store women's or men's shoes). - Shoes for the whole family can be stored in one place collectively.
