

SMALLY - LED Puck Light 3W 24V

Product # 15302403122030

Finish White

Light Color Warm White

Kelvin Color Temperature (K) 3000 K

DESCRIPTION

24 V system provides the flexibility for longer runs

- Quick-connect located at the base of the light
- Innovative 3 W LED spotlight with a wide light beam
- Designed to be installed in a recessed 2 1/4 in (57 mm) hole with only a 15/32 in (12 mm) depth
- Consistent and wide flow devoid of the typical LED spotlight dotted-effect feature
- Stylish slim design allows for easy recessed or surface mount installation

ADVANTAGES AND BENEFITS

- Italian design, exclusive to Richelieu! - Plug-and-play system for quick and safe connecting and disconnecting when needed - Can be installed recessed or surface mounted - Bright and uniform light distribution - Integrates a special optic that appears neutral and uniform, even when the device is switched off - 24 V dc quick connect system, no soldering of wires

APPLICATION

- Countertops - Cabinets - Bookcases - Display cases - Decorative lighting

INCLUDED PRODUCT(S)

- Small LED puck light - 78 3/4 in (2 m) power cable with a Micro24 connector

IMPORTANT INFORMATION

- 24 V cc power supply required; works with prescribed dimmers - CRI (color rated index): 80 - Lifespan of 50 000 hours (this lifespan can only be achieved by following the instructions in our installation sheet about product application and use) - Works with Touch Me (152125601), Call Me (152127010), and Capsens (152126003) switching options

DISCLAIMER

- There is no replacement bulb available for this light due to its average lifespan of 50 000 hours - Richelieu grants no warranty on LED lights if a power supply other than the one specifically prescribed for this product is used - Do not exceed the maximum wattage by connecting more lights than prescribed as damage to the power supply may result
