

LED Smally Trim Rings

Product # 15314100

Finish Gray

Height 1 15/32 in*

Information Angled 20° round surface-mount trim ring

DESCRIPTION

Designed and manufactured in Italy

LED Smally can be installed recessed or surface mounted with the help of two different trim rings (sold separately)!

ADVANTAGES AND BENEFITS

-Designed and manufactured in Italy -LED Smally (both recessed and surface versions) is fitted with a quick connect cable at the base of the light for easy disconnection and removal when necessary -Round trim ring can be installed quickly with no need to bore holes in your furniture -20° angled trim ring for installation on surfaces and when mounted against the wall under kitchen cabinets directs light forward, reducing unwanted glare on counter tops
