

## Kalabrone Glass and Wood Wall Shelf Support

**Product #** 166210185

**Color/Finish** Satin Nickel

### DESCRIPTION

Kalabrone is a new shelf support for free-standing shelves. Features a captivating design for current market demands.

### ADVANTAGES AND BENEFITS

- The soft engineering plastic element on the upper bracket guarantees perfect adhesion to the shelf, protecting the shelf from accidental removal.
- Its solid structure guarantees a load capacity of 25 kg per support for a shelf 320 mm deep.
- The two available finishes (satin nickel and bright chrome) will add a touch of elegance and distinction to your room.
- A locking device allows the shelf to be firmly in place.
- Zinc alloy material.
- Kalabrone offers two adjustment options: 1) Vertical: through the oval hole positioned on the upper bracket ( 3, -3 mm). 2) Tilt: through an adjustable screw positioned on the main support (3 mm). Exclusive to Richelieu.
