

B-Moved Control Unit with Remote

Product # 189CUPS66

Compatible with PS66

DESCRIPTION

UL LISTED

The B-Moved Control Unit with Remote is the electronic component that handles the communication from the receiver to the motion transmission bars. The user can operate the sliding doors with the remote control. Included is a UL Listed power supply with standard North American 3 prong plug for use in a typical wall outlet in North America. Choose from two types, one for the PS40 and PS48 system and the second for the PS66 system.

IMPORTANT: Use metric dimensions for greater accuracy during installation.

ADVANTAGES AND BENEFITS

* UL Listed * Includes Remote * Communicates with proximity sensors * Distributes communication to different doors
