

CONCEPTA Guide Roller

Product # 189S25656

DESCRIPTION

guide door

The CONCEPTA Guide Roller is for the top and/or bottom of the vertical front profile for the retractable scissor action mechanism. The guide roller travels within the bottom guide channel and the upper running track for the Hawa Concepta 25 & 30. The guide roller contacts the side walls for the channel and track but must not make contact with the bottom or ceiling of the channel and track.
