

## Cable Storage System for Floor

**Product #** 208721810

### DESCRIPTION

This storage system for cables installs on the floor to conceal cables and give the room a neat and tidy look.

### ADVANTAGES AND BENEFITS

Aluminum finish adds a decorative look as well as practicality. Pre-drilled for screw placement, this system can also be installed with double-sided tape. The four grooves allow easy identification of your cables. The low height and the shape of the system allow casters (from chairs, furniture, etc.) to move over it. Can be cut and adapted to fit any workspace.
