<b>Use Type</b>	Glass

### Disclaimer

Measures shown with an asterisk (\*) have been converted as per your preference. These are not the official measures. To view the measures specified by the manufacturer, [click here](#).

## APPLICATION

- Screw hinge into the side wall of cabinet. - Apply a foil spacer to the glass facing outside. - Elongated, side mounted screw holes provide some adjustment. Requires handle to open.

## INCLUDED PRODUCT(S)

Complete with two hinges and mounting screws.

## IMPORTANT INFORMATION

Trial mounting is strongly recommended. Glass is held in place by the pressure of a set screw and heavy loads or inappropriate applications may cause the glass to fall out of the hinge channel.
