

New Cut Wash Bleached Knit Wiper

Product # 22222020

DESCRIPTION

Keep your workshop clean with these reusable new, white, bleached knit wipers. The wipers are made of cotton that is strong and soft, helping you manage messes wherever they come up.

- Great for various wiping applications.
- Made of soft, yet strong cotton.

ADVANTAGES AND BENEFITS

This wiper is made of a knit fabric has been prewashed for enhanced absorbency, creating a soft and virtually lint-free wiper that is void of buttons, pins, and strings. The white material is colorfast and will not bleed with the use of most solvents, making it a popular choice for paint and print shops and for furniture production. Packaged in 20 lb (9.07 kg) boxes consisting of over 20% recycled material. Boxes are easy to stack and store, and come with punch outs to assist in handling and dispensing.
