

Richelieu Paddle Cutting Board

Product # 342003150

DESCRIPTION

Grooved paddle cutting board for fruits and vegetables.

ADVANTAGES AND BENEFITS

Board with ideal dimensions for cutting roasted meat, fruit, or vegetables. The grooves in certain models trap and prevent juices from spilling off the board. Glued-laminated timber manufacturing provides a board with consistent thickness and a smooth cutting surface. Made from Canadian hardwood. The board is treated with oil to maintain the humidity of the wood. The wood fibers absorb knife blade impact and help knives stay sharp longer. The end grain construction enables the board to stay smooth longer.

TECHNICAL SPECIFICATIONS

Product #	342003150
Product Dimensions - Width	10 in
Type of Manufacturing	Glued-Laminate
Grooved	Yes
Product Dimensions - Height	3/4 in
Product Dimensions - Length	20 in
Finish	Maple
Material	Maple
Shape	Rectangular

IMPORTANT INFORMATION

* DO NOT SOAK IN WATER * HAND WASH WITH WARM WATER * DO NOT PUT IN DISHWASHER * DO NOT USE SOAP *
REGULARLY APPLY VEGETABLE OIL TO PREVENT DRYING OUT

DISCLAIMER

We recommend treating with vegetable oil every three months to prolong product lifespan.
