Product # 39C358B16180

Overlay 1 in

Fixing Type Knock-In

Screw/Nail Not included

Packaging format Per unit

DESCRIPTION

Interchangeable

The COMPACT BLUMOTION hinge has been specially designed for framed cabinets. The soft closing function is integrated directly into the hinge housing and can be deactivated for small or light doors. With COMPACT BLUMOTION, the doors always close quietly.

The BLUMOTION function can easily be deactivated on a hinge, allowing small or light doors to close with the same high quality of movement.

ADVANTAGES AND BENEFITS

- BLUMOTION soft close integrated into the hinge cup - Deactivation switch for small or light doors - Overload safety feature - One-piece wraparound hinge - 1/2 po (13 mm) cup depth - Less minimum reveal

IMPORTANT INFORMATION

The best way to clean your Blum fittings is as follows: - Use a soft, lint-free cloth, a chamois leather or a sponge - Ensure that the material you use to wipe the furniture with is just damp, not wet - Always wipe the furniture again afterwards with a dry cloth - If possible, use cleaning products intended specifically for materials such as leather, stainless steel etc.; otherwise, use only clean water - Wipe off dirt as soon as it appears AVOID THE FOLLOWING: - using steam cleaners - using cleaning products, such as abrasive cleaning powder, steel wool and scourers, as well as cleaning agents, such as acetone, chlorine, cellulose thinner and solutions whose names start with tri or tetra - storing open cleaning products, baking powder, dishwasher products or table salt, for example. Fumes can cause corrosion on all metal surfaces.

APPLICATION

- For the installation of a door on a piece of furniture and/or a cabinet. - Blum hinges are not made of stainless steel, therefore it is not recommended to use them for outdoor applications.
