

## Zipbolt Universal Tool 10.700 - 165 mm x 35 mm

**Product #** 423510700

### DESCRIPTION

The fastest and easiest way of joining work /countertops in a matter of seconds! The ZIPBOLT connector is a new practical and innovative solution that saves time and money in assembling work / countertops and panels. The Zipbolt UT requires a simple 5 mm Allen key or hex bit as a driving tool and this ensures a very positive engagement. The NEW all metal Zipbolts which now have diecast gear housing are more durable and are able to achieve even higher torque levels than previously.
