### APPLICATION

- Desk - Table - Nightstand - Hotels - Lobby - Waiting rooms

### INCLUDED PRODUCT(S)

- 9' black power cord with round flat plug included

## DISCLAIMER

USB charging time may vary based on the device's battery requirements, charge level, battery age and temperature in the surrounding area. If USB charge time is too slow, switch to the plug-in option. As demands for longer battery life increase, charging requirements change and using the USB for charging will not rapidly charge devices. Please check that this unit meets your local code before installing.
