

Rev-A-Shelf filler with Blum Soft-Close Slide for Base Cabinet

Product # 432BFSC3C

Load Rating 25 lb*

Product Dimensions - Width 3 in

DESCRIPTION

Turn the gaps that separate your cabinets into functional storage space with this clever sliding system. System includes adjustable wooden shelves with chrome rails and full extension Blum slides with Blumotion

ADVANTAGES AND BENEFITS

- Chrome rails prevent objects from sliding off the shelves. - Adjustable shelves for products varying in height. - Full extension slides provides easy access to all items. - Blumotion soft-close mechanism. - Easy to install; simply attach the system to the adjacent cabinet and add the false panel of your choice to create a fully functional sliding storage system.
