

Abrasive Sanding Sheets - Garnet

Product # 4409111080

Grit 80

Grit Texture Coarse

DESCRIPTION

A 0311 0

We offer a wide range of standard 9 in x 11 in sheets with waterproof backings for hand sanding. Highly flexible backings and Dri-lube non-loading coatings are also available. Choose from top-quality sheets or economical sheets. Sheets are also available in natural garnet.

- Dri-lube
- Ideal for edges
- A-weight paper backing

ADVANTAGES AND BENEFITS

Aluminum oxide provides a 30 to 50% faster cut rate, and silicone carbide is an excellent choice for a sharp cut and a consistent finish.
