Disclaimer

Measures shown with an asterisk (*) have been converted as per your preference. These are not the official measures. To view the measures specified by the manufacturer, [click here](#).

IMPORTANT INFORMATION

When using the Kick-Plate storage option, pull out the step stool with care to avoid possible floor markings. A minimum width of 405 mm between cabinet legs and a minimum height of 105 mm under the cabinet is required for this application. Please note that the measurements in the description describe the product's standing position. For additional information, please refer to the technical documents.
