DESCRIPTION

For installation in framed cabinets.

- Can be installed under a drawer to optimize storage space in your cabinet.
- Equipped with full-extension slides for complete, direct access to your bins.

ADVANTAGES AND BENEFITS

- Full extension for easy removal of bins for emptying or cleaning.
- Offers a large capacity in a reduced space.
- Bins are equipped with handles for easy maneuvering.
- The lid limits the flow of odors and provides additional storage space for papers to be recycled.
