

Panel Nails

Product # 4702DOXR

Length - Overall Dimensions 1 5/8 in

Material Metal / Dark Oak (Dark Brown)

Packaging format Blister of 147 units

DESCRIPTION

This panel nail is a versatile hanging tool. Designed to puncture wood or metal, and suitable for carpentry applications in which the nail head needs to be unobtrusive. Easy to install.

ADVANTAGES AND BENEFITS

The head sinks into the surface of most woods giving a smooth finished appearance.
