DESCRIPTION

Dual mount

You must open a session to view the DWG and/or DXF AutoCAD.

The DIAMOND collection offers you endless possibilities of models and applications. Each detail has been carefully considered, from the large capacity bowl to the easy-to-clean surface that resists scratches and stains. Crafted of 80% natural granite, the SILGRANIT® sink features the look and feel of natural stone and is resistant to scratches, stains, chips, and heat. Because it is colored all the way through, the SILGRANIT® sink won't fade in direct sunlight and is impervious to household acids and alkalis. Its advanced surface technology ensures that it is non-porous, easy to clean, and extremely hygienic.

ADVANTAGES AND BENEFITS

- Versatile dual deck design can be installed drop-in or undermount
- Heat-resistant up to 536 °F
- Resistant to scratches, stains, and all household acids and alkali solutions
