DESCRIPTION

Wood bottom mount

Practical and elegant!

These wood base recycling centers equipped with Blum Movento slides fit in any cabinet decor. Three models offered with different capacities to accommodate your needs. An excellent value!

ADVANTAGES AND BENEFITS

Designed for FF or FL 15 in (381 mm), 18 in (457.2 mm), and 21 in (533.4 mm) door and drawer or full door base cabinets. Equipped with two 32 qt gray waste bins or one 35 qt metallic silver waste bin. Blum Movento slides included. Same floor mounting locations as 4WCSC standard offerings. Patented door mount brackets with 5 in (127 mm) of adjustability and micro-trim adjuster (US Patent No. 8,388,076). Dovetail plywood box construction with solid wood top frame. The unit does not have a center divider for the double bin units. Straight frame construction. Offered in sets including the bins.
