DESCRIPTION

Top-mounting

Pull-out waste container system constructed of solid maple for durability and support. Front, side, and rear adjustable mounting brackets provide stability, and a groundbreaking soft-closing sliding system provides 8" of assisted opening and closing in an innovative top mount application. Concealed slides ensure that this pull-out will blend perfectly with your kitchen décor.

ADVANTAGES AND BENEFITS

- Door mounting brackets arrive pre-assembled for simple one-step installation. - Soft-closing system maintains stability under even the heaviest loads and prevents doors from shutting abruptly. - Can be adapted to face frame and frameless cabinets with a unique adjustable bracket. Includes mending plate for frameless cabinets.
