

## Momentum Series Combos Keyboard Arm

**Product #** 5007438C6

**Width - Overall Dimensions** 27.3 in

**Thickness** 0.5 in

**Material** Steel/Plastic

**Mouse Tray** Built-In

**Packaging format** Per unit

### DESCRIPTION

**Fully stores under desk**

These Convenience Combos combine our most popular trays with our #1 selling Momentum arm, packed in one box with a single part number for easy ordering and shipping.

### ADVANTAGES AND BENEFITS

- The Momentum articulating keyboard arm incorporates dial knob technology for easy tilt adjustment from -20 degrees to 10 degrees, providing optimal comfort for a range of users.
- The Momentum arm also features Lift-N-Lock technology for effortless height adjustment from 2 3/8 in (60.45 mm) to -6 1/2 in (-165.1 mm) (from top of track), ensuring that this is the easiest, most comfortable, and convenient arm for use in the office environment.
- In addition, the Momentum features an easy-to-read height and tilt indicator to complement its ease of use.
