

Duo Flap Stay

Product # 5010522G

System Type Duo Flap

Door Type Aluminum Frame Doors

Load Capacity 16.5 lb*

Packaging format Per unit

DESCRIPTION

Push hinge for Touch Latch style use

Duo horizontal opening system. Hold-open or soft-close. Simple adjustment, 75° to 110° opening.

ADVANTAGES AND BENEFITS

- Mount for either flap support or bar counter function. - Holding force can be set steplessly. - Use right or left; simplifies logistics and assembly. - If the front panel and the fitting are mounted to open downwards, the front can also function as a temporary work surface or bar counter.
