

Decorative base for balusters

Product # 532112130

DESCRIPTION

To glue

Bottom base for round posts.
Its design allows finishing of railing projects with a touch of elegance without to use finishing trim.

ADVANTAGES AND BENEFITS

Ideal for architectural projects such as staircases and railings made of glass, cable or square tubes. A glue strand during assembly helps to solidify and better secure the connection between the components.

REQUIRED PRODUCTS

Requires the following products

Sales unit

Stainless Steel Glue Activator
