

Quickfit Dowel - 5811

Product # 5811

DESCRIPTION

Quick hand-insertion, easy assembly

Quickfit dowels may be inserted by hand, using only finger pressure. This eliminates the labor-intensive process of screw-in assembly and potential panel damage.

ADVANTAGES AND BENEFITS

- Klix locking feature for a strong, vibration-proof joint - Depth stop collar for accurate insertion

REQUIRED PRODUCTS

Requires the following products

Ø15 mm Cam "Cam2000"
