Product # 606758900

Depth 12 5/8 in*

Height 59 in*

Number of Shelves 4

Interior Depth 11 3/8 in*

DESCRIPTION

Open shelving design

It's no secret-open living designs are a mega trend. By offering this solution that is effortless to access, YouK will become your go-to for all your interior projects.

The contemporary style of the flexible YouK shelving unit suits this well as it adds functional highlights to any area of a home:

- a pantry in the kitchen
- a wall unit, either in the bathroom, kitchen, living room, or office

Available in six different configurations, these structures are versatile and suitable for endless design possibilities. They can be installed:

- directly on the floor
- suspended on the wall (can easily be screwed directly to wall)
- combined with each other

Quick shelf assembly: simply screw underneath the welded grid (screws not included). Made of steel with a Teflon surface finish for a high scratch resistance.

Profile diameter:

Width: 1 3/16 in (30 mm)

Depth: 9/16 in (15 mm)

Weight capacity: 33 lb (15 kg) per horizontal support (including your shelving choice).

ADVANTAGES AND BENEFITS

- Minimalist ladder design: YouK focuses on the essentials with its simplicity. - Simple coherent grids for more assured planning and installation. - Uniform appearance: thanks to the welded frame connection, there are no intrusive connections or dividing lines in the vertical appearance. - Can be used in any living room or space: ideal thanks to the individual choice of shelves. Can be used in the kitchen, office, and bathroom, as a wall unit or wardrobe. - Highly scratch resistant: the finish always looks brand new because of the high Teflon content in the surface finish. - Easy mounting: quick and easy to mount in just a few steps and does not require any special tools.
