

Frames for K-Waste One Bin Model

Product # 61010100

Finish Silver Gray

DESCRIPTION

Sliding frame for K-Waste, compatible with a push-to-open mechanism.

Bottom-mount waste management systems offered in single or double bin configurations. Frames are available in Chrome, Silver Gray or Anthracite finish and can be equipped with 34 L (36 qt) or 49 L (52 qt) bins. Bins are available in white and gray color only.

ADVANTAGES AND BENEFITS

- The frame can be equipped with a hands-free push-to-open device; simply apply pressure on the door to open
- The push-to-open device is available in gray
- Elegant lateral tracks keep bins in place during opening and closing and reduce bending of the door
- Frame is available in chrome or silver gray
- Easy mounting on cabinet bottom using only eight screws
- The frame and mounting supports can be adjusted in all directions
- Concealed full-extension slides with soft-close mechanism (if the push-to-open device is used, the soft-close motion will be reduced)
- Bins sold separately for one- or two-bin configurations in cabinets measuring 381 mm (15") and 457.2 mm (18")
- 34.1 L (36 qt) and 49.21 L (52 qt) bins are available in white or gray
- Quick assembly thanks to the Click Fixx system plus an installation template and door brackets
- Maximum load capacity of 44.5 kg (100 lbs)
