

Vanity Bracket

Product # 6240210090

DESCRIPTION

The bracket was designed to simplify the ADA counter-top installations. Mount these brackets to the wall. The counter-top with an ADA sink goes on top. Use the supplied spring clips to attach the face board to the brackets for a clean look. There is no visible hardware and the face board can be removed with no tools. Or you may mount the face board directly to the brackets.

ADVANTAGES AND BENEFITS

- 12-gauge steel offers superior strength
- Available in black.
- Optional mounting holes on the side of black brackets to install your finishing panel if desired
- Accommodates 22" to 24" tops
- Spring clips and screws provided for easy on/off front skirt attachment
- No visible fasteners
- No tools required to remove and reinstall skirt
- Mounting holes provided for skirt if you do not use spring clips
- 3x3 cut-out for wall cleat and wire run clearance
- Load limit range of 860 lbs to 1560 lbs per pair
