

Floor Door Guide for Sliding Door System Aqua01

Product # 705AQUA01BDG170

Finish Brushed Nickel

DESCRIPTION

Guide for bottom of door

Replacement guide to keep the fixed glass panel in place in a sliding door system for frameless glass showers.

Keeps the sliding glass door aligned during opening and closing.

ADVANTAGES AND BENEFITS

Available in the most popular finishes on the market. Nylon parts allow to adjust the guide for various thicknesses of tempered glass.
