SlimLite XL T5 Replacement Fluorescent Tubes

Product # 76494302

DESCRIPTION

Extremely long tube life

Replacement Fluorescent Tubes

Fluorescents produce less heat and are chosen due to their energy efficiency. They are engineered to send light in all directions, providing excellent light coverage. T5 compact solutions make the installation of residential or commercial lighting the easiest of all lighting options. Under kitchen cabinets, they act as task lighting for a countertop; in display cabinets, they show off prized possessions. They are used in a workshop or anywhere you need lighting right at hand. Sometimes fluorescents are exactly what you need!

ADVANTAGES AND BENEFITS

- Average life span 10000 to 20000 hours
