DESCRIPTION

- 270° (kidney) pivot trays are ideal for storing pots, food, plates, cups, and more.
- Each tray mounts on bearings that turn separately for easy access to your items.
- Trays perfectly match any cabinet made out of maple or a clear wooden shade.
- Made out of 1/2" (12 mm) plywood with a maple finish.
- Tray rims are made out of rolled maple 1" (25 mm) in height, preventing objects from falling.
- Edge joints are made with dowels for a clean, discreet appearance.
- Trays are covered with a catalyzed clear coat finish to ensure durability and wear resistance.
- Easy to install in a few minutes.
- No need for an axle.
- 1 set includes 2 trays and hardware.
