

## Cielo Horizontal Metal Frame

**Product #** 8424020

### DESCRIPTION

#### Italian made bed frame

Superior quality bed frame made of flexible and robust beech slats to provide unrivaled support.

Square metal frame comes in modern matte nickel finish.

Pre-drilled to turn your wall bed into a multifunctional piece of furniture depending on your needs.

Includes a side rail that serves a double function:

- Enhances the structure of functional furniture.
- Ensures the door completely closes with the help of two magnets attached to the metal base of the frame.
