### **DESCRIPTION**

Make your life easier with the Euro-Cargo II pull-out recycling systems. Over-travel slides, giving you full access to your bins. The metal lid remains fixed inside the cabinet. Once the recycling system is closed, the lid covers the bins, preventing the spread of odors.

### **ADVANTAGES AND BENEFITS**

- Ergonomic bin handles for easy handling - Very durable: slides were tested at full extension for 50,000 cycles at 75 kg load and 100,000 cycles at 50kg load - The frame is reversible for models #8461464910, #8461464100, and #8461440100.
