

**Hardware Set for 1 Sliding Glass Door (ESG/VSG)**

**Product #** 8924165

**DESCRIPTION**

Suspension shims sets new standards in simplicity, speed of installation and height adjustments for sliding glass doors. These shims easily fit into rollers. The SoftMove80 soft-close system associated with the HAWA-Purolino-PLUS 80 hinge can be fixed to the left suspension shim without any additional parts.
