

## SeamFil Laminate Repair Tube

**Product #** 904

**Details** SeamFil Tube

**Color** Tan

### DESCRIPTION

Repair nicks, seams and gouges with ease. SeamFil bonds mechanically to the substrate of laminate. This product dries hard and becomes a permanent part of the laminate surface. It resists moisture, detergents, and other household products as effectively as the original laminate. In addition to standard joints, SeamFil works very well on cracks, chips and other imperfections where the dark substrate is visible. When properly used, SeamFil will hide defects beautifully for the life of the counter.

18 to 24 month shelf life for unopened product.
