

### Richelieu Lateral Part Cart

Product # 9129010

#### DESCRIPTION

- A flexible, heavy-duty, lumber delivery system.
- Carries uncut panels or can be configured with as many as 12 bins.
- Allows workers to sort parts for easy identification and accessibility.
- The end divider can be installed parallel or perpendicular with the cart for greater flexibility.
- With the uprights removed, the cart can be used as a lumber cart.
- Narrow width is perfect for congested aisles.
  Dimensions: W 22" x H 59" x L 60".
- Weight capacity: 2,000 lb.
