## Layout Tape for 32 mm Drilling System

**Product #** 918829

### DESCRIPTION

Have you ever had a small job where you needed the line bore panel for adjustable shelves or hinge plates? This new layout tape from FastCap is fast, easy, and accurate. It comes with 32 mm spacing for drilling 5 mm shelf pin holes. One edge has a 35 mm offset and the other edge has a 37 mm offset -- it's your choice. Line the tape up on the edge offset that works best for your job and start drilling. Another innovative product "designed by a cabinetmaker".
